DIXIE

Dixie is a design armchair and was conceived for your relax, with well-finished and accurately modeled details. It is a versatile product, that starts from the classical concept of an armchair and elevates it to a contemporary taste. The slightly sloped structure makes it comfortable and embracing, and the cozy headrest cushion is extremely soft. The base is in solid wood and available in 4 standard colors, or in a customizable color. The fabric of the cushions is fully
