

The image shows two identical modern metal bookcases standing side-by-side against a vibrant green wall. Each bookcase is constructed from thin, dark metal rods forming a rectangular frame. They feature five horizontal shelves. The shelves are populated with various books, some standing upright and others stacked horizontally. The floor is a light, neutral color, and the overall aesthetic is minimalist and contemporary.

## BOOKCASES

Check out our complete range – from wall bookcases to room dividers. All of them are true design items. We think of them as if they were almost sculptures.
